It Ain't Over

藤井風

if you were gone
如果你走了

I would not feel so sad
我不會如此感傷

cuz deep down I know
因為我心裡知道

no one will ever be gone
沒有人會真正走遠

you may say, this is the end
你或許會說這是終點

like I never was your friend
彷彿不曾有過你我之間

and you go so far away
你走得好遠

that's when you hear me say
然後聽到我的聲音

boy it ain't over
還沒結束

over, yet
未完

it ain't over
還沒結束

over, yet

未完

oh, we'll all go back to the same home

我們都會回到同一個家園

the deeper I dive

我越追尋

the more I'm sure

就越肯定

you're still by my side

你依舊在我身邊

wherever I go

如影隨形

my life's been good

走過美好人生

it's time to go

該走了

bye-bye my friend

再見，我的朋友

but you know, in time

但你明白，遲早

we all gon' realize

我們都會領悟

that it ain't over

還沒結束

over, yet

未完

it ain't over

還沒結束

over, yet

未完

oh, we'll all go back to the same home

我們都會回到同一個家園

and they say, nothing ever stays the same

人們說永恆不存在

but with faith, we find something that will never change

但信念能帶我們找到永恆

it ain't over

還沒結束

over, yet

未完

it ain't over

還沒結束

over, yet

未完

oh, we'll all go back to the same home

我們都會回到同一個家園

see you soon, we'll all go back to the same home

後會有期，我們都會回到同一個家園

home

家園

home

家園
