Love Like This

藤井風

Feeling
感覺

More than perfect, amazing
無與倫比

More than words can explain it's
言語，無法形容

Purest form of reality
這純粹的真實感

Divinity
神聖感

I've been
我啊

Suffering in this tiring
一直困於這世間

Crazy world like I'm drowning
疲憊又瘋狂 彷彿溺水無法自救

There's no way to escape I thought but
本以為無處可逃

Finally here I am
但終究抵達此等彼岸

I'll never find another love like this it's true
這般真愛難再尋 的確

I'll never find another love like this

這般真愛難再尋

Baby can you feel it too just like I do

寶貝 你是否與我同頻共感

(Who does paradise belong to)

(天堂究竟為誰存在)

I'll never find another love like this I know

這般真愛難再尋 我知道

I'll never find another love like this

這般真愛難再尋

Baby can I give it to you

寶貝 能否讓我奉上真心

Just like you do

如同你也真心愛我

Then we share it too

以後我們雙向奔赴

Thank you

謝謝你

Wherever I go I feel you

走到哪裡都彷彿有你相伴

Now I know

如今我深知

That I'll never love like this

這般真愛難再復

Sacred

聖潔

Sweet divine invitation

甜蜜的神聖邀請

To heal a heart that's been breaking

撫慰破碎心靈

Mend a soul that's been crying out

治癒嗚咽靈魂

Let me out

哀聲求放過

Now I am

如今

Falling softly colliding

我跌跌撞撞

Into your sweet silver lining

輕輕落入你的美麗銀輝

There's no way to escape from heaven

天堂無處可逃

Finally here we are

我們終於抵達此等彼岸

I'll never find another love like this it's true

這般真愛難再尋 的確

I'll never find another love like this

這般真愛難再尋

Baby can you feel it too just like I do

寶貝 你是否與我同頻共感

(Who does paradise belong to)

(天堂究竟為誰存在)

I'll never find another love like this I know

這般真愛難再尋 我知道

I'll never find another love like this

這般真愛難再尋

Baby can I give it to you

寶貝 能否讓我奉上真心

Just like you do

如同你也真心愛我

Then we share it too

以後我們雙向奔赴

Thank you

謝謝你

Wherever I go I feel you

走到哪裡都彷彿有你相伴

Now I know

如今我已明白

That I'll never love like this

這般真愛難再復

That I'll never love like this

這般真愛難再復
